Subject: Free Accidental Insurance Policy for Students of Nidaan Child Care Therapy Centre

Respected Sir/Madam,

On behalf of Nidaan Sewa Samiti and Nidaan Child Care Therapy Centre and Inclusive School, Bhopal, I extend our heartfelt gratitude to ICRA for providing Free Accidental Insurance Policy to all our students. This initiative has brought immense relief and security to the parents and guardians of our children, especially those with special needs. Knowing that our students are covered against unforeseen accidents gives both families and our staff great peace of mind. Your gesture reflects true corporate social responsibility and a deep commitment to the welfare of children with disabilities. It has strengthened our mission to provide safe, inclusive, and supportive care to every child.

We sincerely thank ICRA for this valuable support. We look forward to continued association in the future for the betterment of our students.

With gratitude,
